FASHION

About the Founder

With a strong foundation in global fashion manufacturing, Mamta Roy began her journey with Mamta Apparels, catering to renowned European retailers including Metro MG, Karstadt, and Quelle AG.

Her vision evolved into Odette E-Retail Pvt. Ltd., a modern women's fashion brand blending design, quality, and accessibility for today's woman.

A NEW FASHION DEFINITION

A woman with long brown hair is sitting on a green velvet sofa. She is wearing a light pink, sleeveless, cowl-neckline dress and silver high-heeled shoes. She is holding a small, square, woven bag with a colorful floral pattern. Her right arm is resting on the back of the sofa, and her left hand is holding the bag. The sofa has two dark blue pillows. In the background, there is a large window with a view of a building and greenery. The floor is made of dark wood.
