WHAT CUSTOMER SAYS

I tried out there this place in Cunningham road and they had an inaugural offer of any burger at 99 Rs and it's still going on! I tried Paneer cheese burger, it was absolutely delicious and worth it for money! It was around 270 bucks and I got it for 99 bucks!

I usually prefer to order from here but today, luckily I got a chance to visit this place. It's close to my apartment. Very cozy and friendly atmosphere. We always like their burger, nothing more to appreciate. It's always fresh, saucy and juicy.
