The Backgrounder!

Lassi n Café is the brainchild of three enthusiastic youngsters who thought of making desi Indian flavors like Lassi, fruit Juices and Falooda as the main offerings of their unique QSR format 'Lassi n Café'. The purpose was to provide the young generation a healthy alternative to carbonated drinks and junk food in a cool and comfortable environment.

Started from India's IT city Bengaluru, Lassi n Café is now present in different cities of India and the UAE
