

BIGGUYS®

FLAVORED FRIED CHICKEN

First BITE. REPEAT.

BIGGUYS is a A bold, homegrown fried chicken brand that blends authentic Korean crispiness with Indian flavor innovation.

WHY BIGGUYS?

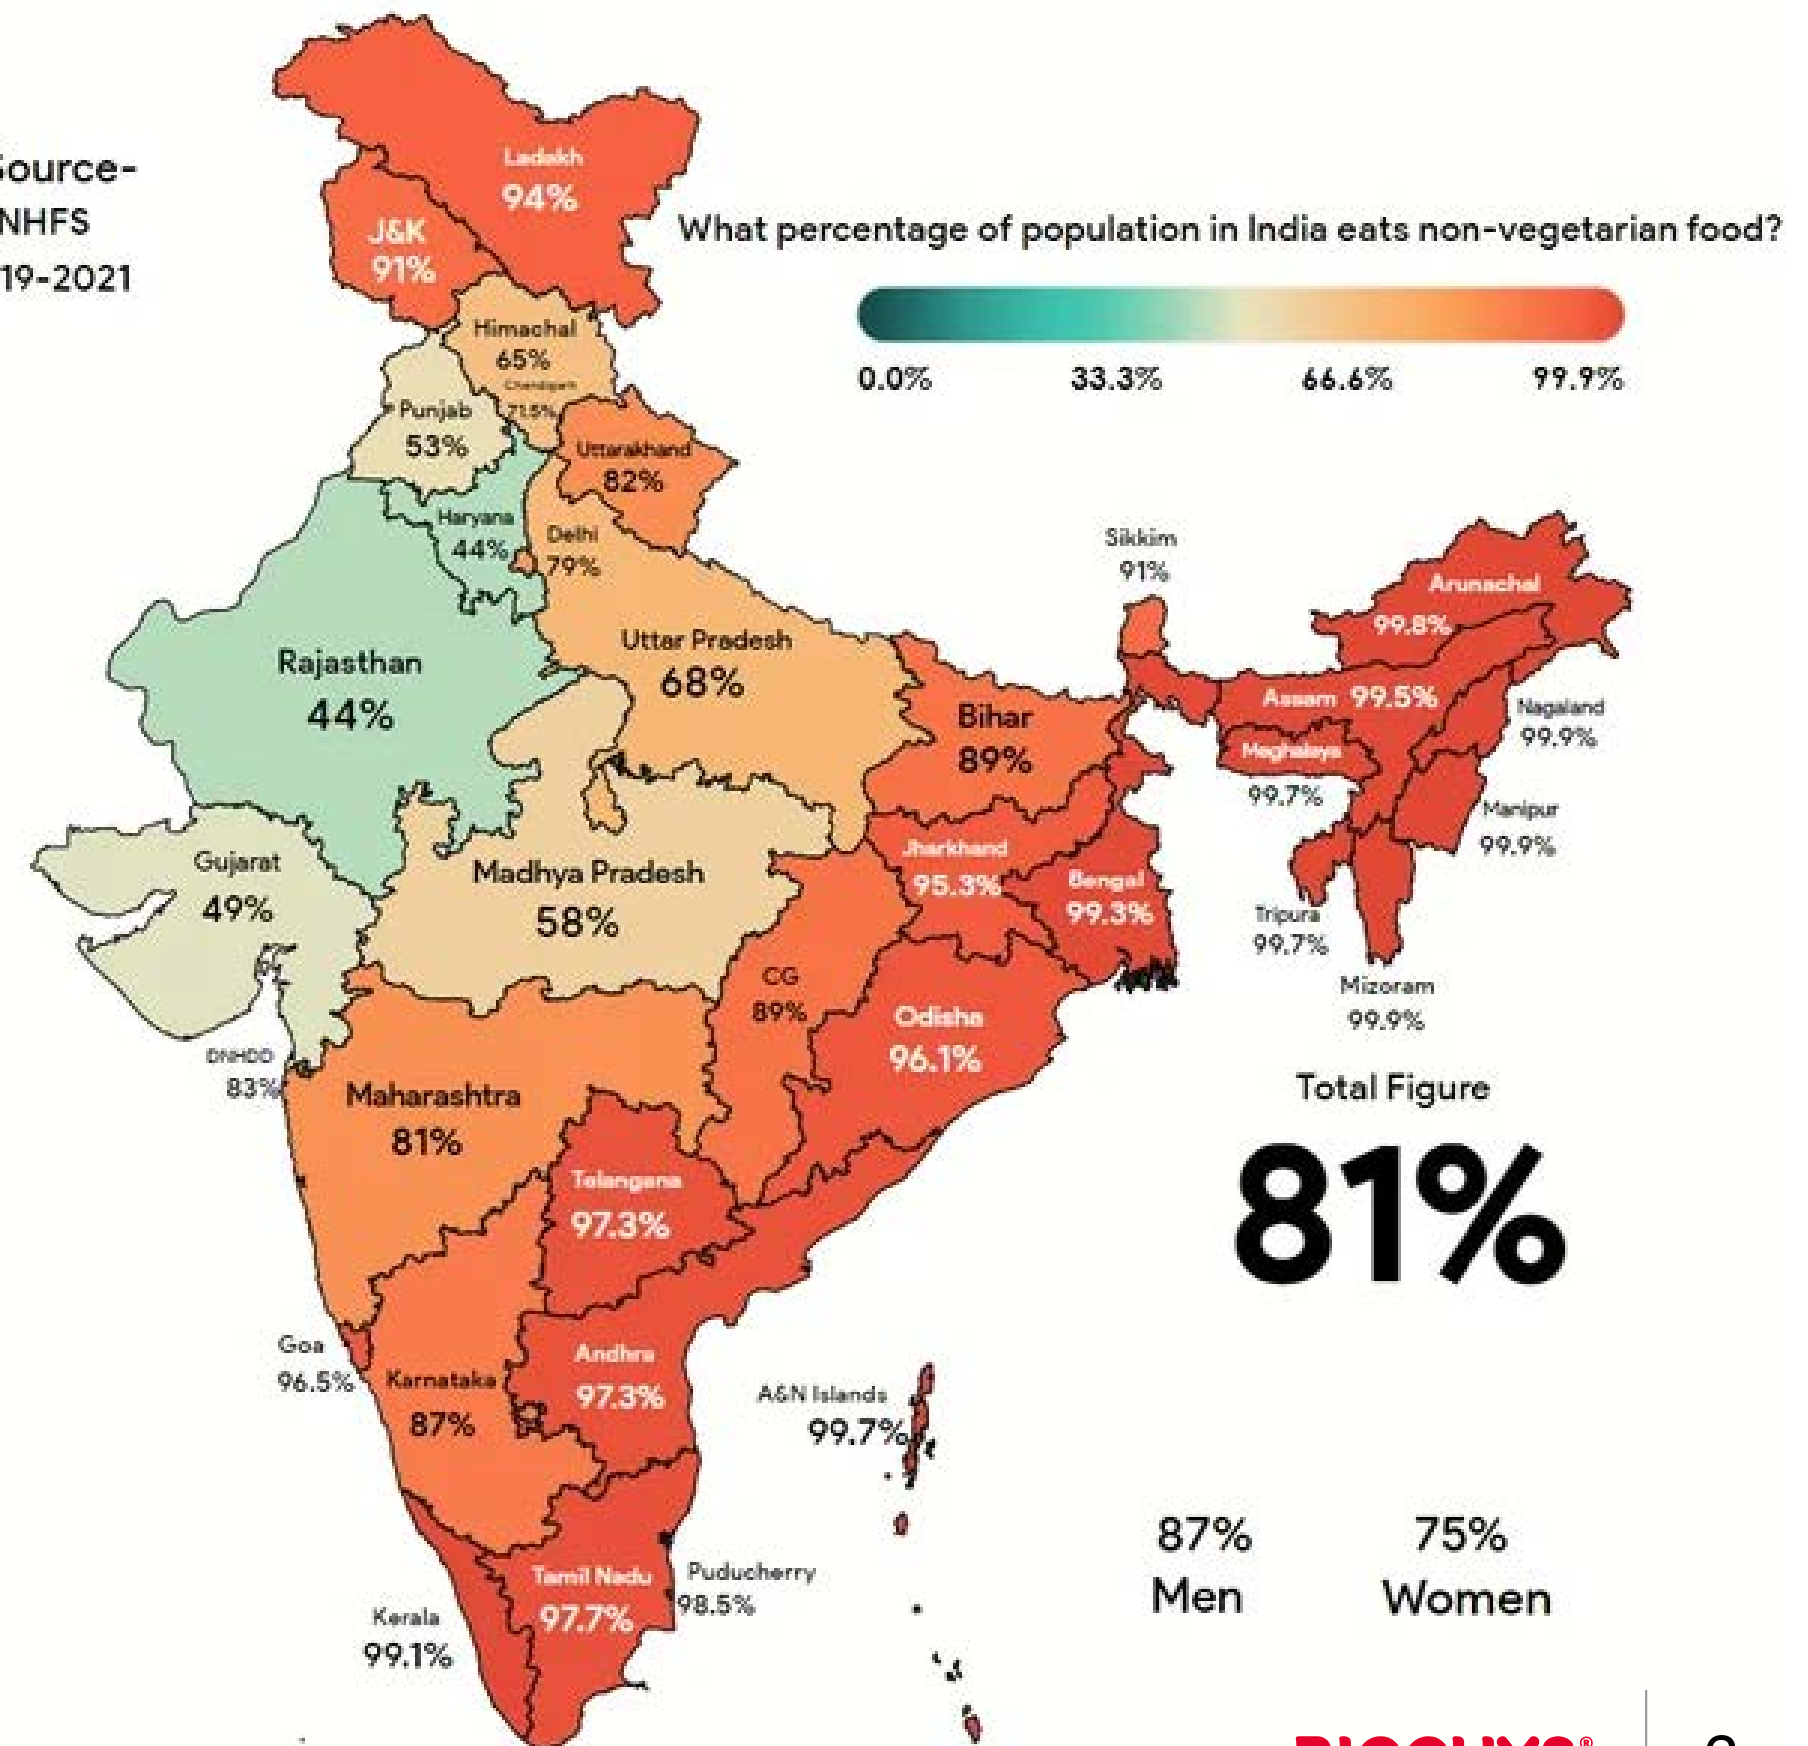

India Needs an India-First Fried Chicken Brand

India is the largest non-vegetarian market in Asia, yet fried chicken remains dominated by global players.

While 70% of non-veg eaters prefer chicken, no Indian-origin brand has claimed leadership in this space.

BIGGUYS was born to fill that gap, Korean-style craft, Indian flavor agility.

A MASSIVE, Under-Served Market Ready for Disruption

India's F&B industry

₹5 lakh+ crore, growing at 9% CAGR.

QSR, Fried chicken Category

₹50,000+ crore opportunity with rapid tier-2 & tier-3 expansion.

Lack of Innovation

Menus lack freshness, and most brands rely on imported playbooks.

BUILT FOR CRAVE, crafted for scale

BIGGUYS products merge the crispy texture of Korean fried chicken with the spice and soul of Indian streets.

-  Crisp + Flavor: Hand-battered, double-fried for consistency.
-  LTO Innovation: New flavors every season from Gochujang Masala to Andhra Fire.
-  Easy Operations: Quick prep, simple packaging, delivery-optimized.
-  Price Band: ₹129–₹299 — affordable indulgence for youth & families

HYPERLOCAL MARKETING MEETS DIGITAL SCALE
